D.O. No. 10-7/2022-Fert.Use (116808)

2nd January, 2024

Dear All,

As you are aware that a pilot project on School Soil Health Programme has been undertaken by DA&FW in collaboration with DSE&L, ICAR and State Governments in 20 schools (10 Kendriya Vidyalaya & 10 Navodaya Vidyalaya) in rural areas. Making aware students about soil health is important for sustainable agriculture practices and mother earth.

2 20 soil health labs were set up in these schools by DA&FW. Modules for students from class VI to XII and teachers were developed and disseminated. Training of students and teachers were organized for soil sample collection, testing and generation of soil health card through mobile application specially customized for school health programme. Under the programme, soil samples were collected by School Students and soil testing were also done by students and SHCs were generated. Students also educated farmers about the recommendation of Soil health card for judicious use of fertilizer and crop recommendation. ATMA, KVKs, SRLM and team of State officials helped out the school students in the campaign. The entire activity has been documented in the soil health card portal.

3 After completion of the pilot project, now, the school soil health programme is to be launched in 1000 schools. List of 400 Eklavya Model Residential Schools, 200 Kendriya Vidyalaya and 300 Navodaya Vidyalaya have been received and same are enclosed herewith for ready reference. Department of School Education and Literacy is further requested to provide the list of balance 100 schools for the programme
